### **PTA**

A positive, supportive PTA is the pillar of any school. Our PTA hand holds with us in all our endeavours. The support they provided at the time of hosting All Kerala Bhavans Fest is really commendable. I thank all the esteemed members of the PTA committee headed by Dr. Shreshta Sathish for their support in bringing constructive changes in school.

Class PTA was conducted in all classes bimonthly apart from Open Houses which made communication transparent and rapport stronger.

As a team, we solemnly pledge our institution a place where every child's potential is nurtured. With collective effort, we will continue to overcome challenges and create meaningful learning experiences and achieve even greater heights in the years ahead. I bow my head before God the Almighty for all the blessings poured on us.

We extend our heartfelt gratitude to each and everyone, and all our well wishers of our school who stood with us throughout this journey. With the same spirit and determination, we look forward to achieving even greater milestones in the coming year.
